

Are You Eligible for a Wellness Screening?

Even if you have waived medical insurance coverage with the County, you can still participate in the 2017 Wellness Screenings!

As a benefits-eligible County or Court employee, you are eligible for and encouraged to participate in one of the County Wellness Screenings to learn more about your health.

You can attend the County Wellness Screening on County time with your supervisor's approval.

NOTE:

- If you are a benefits-eligible County or Court employee who is covered under one of the County's employee medical plans as a dependent, you are eligible for the Wellness Screening and Wellness Dividend. Please read the primary subscriber's notification regarding your eligibility for a Wellness Dividend.
- If you have waived County medical insurance coverage, you are still eligible to complete the Wellness Screening.
