

2018 COUNTY SAFETY COMMITTEE MEMBERS

The County Safety Committee is responsible for the development of programs and initiatives to promote Occupational Health and Safety, to prevent accidents, and to reduce accidental losses within the offices, institutions, and departments of the County; and to ensure County compliance with applicable Occupational Health and Safety Regulations.

The County Safety Committee acts under the direction of the Board of Supervisors and the County Manager, and provides guidance to the activities of the Department Safety Committees and the County Safety Manager.
