Public records that relate to any item on the open session agenda for a regular Domestic Violence Council meeting are available for public inspection. Those records that are distributed less than 72 hours prior to the meeting are available for public inspection at the same time they are distributed to members of the Council. Those public records are available for public inspection at the Human Resources Department located at 455 County Center, 5th floor, Redwood City, CA 94063 by appointment. The public records may also be transmitted electronically by emailing tbeat@smcgov.org or calling 650-363-4467.

Individuals who require special assistance or a disability-related modification or accommodation to participate in this meeting, or who have a disability and wish to request an alternative format for the agenda, meeting notice, agenda packet or other writings that may be distributed at the meeting, should contact Tanya Beat, by noon on Wednesday, September 30, 2020 at 650-363-4467 or tbeat@smcgov.org. Notification in advance of the meeting will enable the Council to make reasonable arrangements to ensure accessibility to this meeting, the materials related to it, and your ability to comment.

Instructions for Joining a Zoom Meeting via Computer or Phone

Best Practices:
• Please mute your microphone when you are not speaking to minimize audio feedback
• If possible, utilize headphones or ear buds to minimize audio feedback
• If participating via videoconference, you can use your computer audio OR you can use the dial-in option (Option 2 below).

• Members of the Public: Use the Chat function to ask the moderator your question or comment on an Agenda item. The moderator will then ask you to unmute yourself for the comment.

Options for Joining
A. Videoconference with Computer Audio – see Option 1 below
B. Videoconference with Phone Call Audio – see Option 2 below
C. Calling in from iPhone or Telephone/Landline – see Option 3 below

Videoconference Options: You do not need to download Zoom in order to use the video conferencing. However, you MUST have internet access. If you want to use video, your computer needs to have a camera that can show you to the rest of the participants and vice versa.
